The Dow Hotel Company Selects POST Integrations to Provide Card Processing Services

POST Integrations, Inc., today announced that The Dow Hotel Company has selected POST Integrations to provide credit card processing services for their newly acquired Holiday Inn Select San Francisco Downtown. The Holiday Inn Select San Francisco Downtown, with over 560 guest rooms, is the largest and closest full-service Holiday Inn hotel to the San Francisco Financial District.

About POST Integrations, Inc.

POST Integrations provides credit card and electronic transaction processing solutions exclusively to the hospitality industry. POST Integrations is the hospitality industry's premier provider with its unique, three-tiered credit card processing solution, expressly designed to process credit cards in the hospitality environment. POST Integrations' prestigious corporate clients include Hilton Hotels Corporation, The Dow Hotel Company, and Southern States Management. The company also serves many prominent independent hotels and resorts including Miraval Resort & Spa, Tucson, Arizona, Oglebay Resort and Conference Center in Wheeling, West Virginia, Saddlebrook Resort, Tampa, as well as many others.
